## Linssen SL 75 Edition

Year : 2023

From 1 April 2023, we will start looking ahead to our anniversary year 2024. That's when Linssen Yachts will be 75 years young and we will be organising lots of actions, events and shows and special gatherings. Keep following our website and socials for the latest information on this.

"We are looking forward to celebrating our 75th anniversary next year and we are delighted to reach this milestone," says Yvonne Linssen. "We have worked hard to grow our business in recent years and we are proud of what we have achieved. We are only hinting at it now, but of course our anniversary will be rolled out big next year with new brochures, special events, lectures, training courses for our customers and much more. During the Linssen Yachts Boat Show this year (18-21 November), the festivities will begin and in 2024 - the anniversary year - we will have a big party."

To mark this milestone, Linssen Yachts is introducing special '75 Edition' anniversary packages on the (Grand Sturdy and Linssen SL) 35, 40 and 50.

The Grand Sturdy series will stand out with its Velvet Green hull colour.

Linssen SL Series will be finished in the powerful Mahogany Red colour.

The following Linssen SL Series models will be available as 75 Edition yachts:

- Linssen 35 SL AC en Sedan
- Linssen 40 SL AC en Sedan
- Linssen 50 SL AC Variotop®
