

EUROCLASSIC 139 "EPHEMERELLA"

Price : 100000

Year : 2004

Another opportunity to acquire a barge from the the Euroclassic range built in the UK by Southwest Durham Steelcraft. Recognised for their spacious and comfortable interiors Euroclassics lend themselves ideally for liveaboard boats. Ephemerella has three cabins for six people, three bathrooms and a large saloon open onto the galley. Designed for a hire fleet the possibilities to convert the third mid cabin and bathroom for an office or laundry room are there.
