

## EUROCLASSIC PE "ROWAN"

**Price :** 149 000€ à débattre

**Year :** 2006

It's the right time to buy a Euroclassic barge! Recognised for their spacious interiors and comfort, Euroclassic barges are ideal liveaboard boats or for longterm cruising. Constructed by South West Durham Steelcraft in the UK, Rowan is a Euroclassic Peniche Deluxe model and has been in private ownership since its construction and well maintained. It has two cabins and two bathrooms as well as dual steering positions. Rowan is currently moored in Burgundy.
