Grand Sturdy 500 AC Variotop

Jahr : 2023

Leadership is a consequence of expertise, of authenticity and remaining true to yourself, whatever's going on around you. You recognise that because of your success in business. The new Linssen Grand Sturdy 500 AC Variotop® is a born leader. The flagship of our high-quality steel motor yachts is sailing in the wake of its predecessors. At the same time, it exceeds the previous model series on all fronts. The design is elegant and timeless. It is powerful with low-noise characteristics in the engine room. The construction is well thought out and sustainable, and the interior is spacious and complete.

The new Grand Sturdy 500 AC Variotop® has been built to lead. Are you its helmsman ?
