

LINSSSEN CS 32 AC "RINGO"

Price : 130 000€

Year : 2015

A Linssen Classic Sturdy 32AC with its traditional marine style interior and dark green hull available for easy coastal navigation or on the inland canals and rivers. Ringo has been in a hire fleet and has therefore benefited from regular maintenance. The last haul out for antifouling and hull painting was in winter 2024/25.

2 double cabins to accommodate 4 people comfortably, plus the Linssen Easysleep convertible sofa in the saloon adds another double berth.
